The Doggie Castle

Waiver, assumption of risk, and agreement to hold harmless

I understand that attendance at a dog training class is not without risk to myself, members of my family or guests who may attend, or my dog, because some of the dogs to which I (we) will be exposed may be difficult to control and may be the cause of injury even when handled with the greatest amount of care. I hereby waive and release The Doggie Castle, its officers, employees, owners, members, and agents from any injury or damage resulting from the action of the dog, and I expressly assume the risk of any such damage or injury while attending any training session or while on the training grounds or the surrounding area thereto. In consideration of and as inducement to the acceptance of my application for training I hereby agree to indemnify and hold harmless release The Doggie Castle, its officers, employees, members, and agents from any and all claims, or claims by any member of my family or any other person accompanying me to any training session or while on the grounds or the surrounding area thereto as a result of any action of any dog, including my own.

I agree to abide by the policies of The Doggie Castle below:

- ◆ I have filled the class application out with information that is honest and complete.
 - **Domestic Dogs:** Any canid that is part wild canid and that is not 100% domestic dog will not be allowed on property.
 - **Dangerous Dogs:** Any dog which, in the opinion of The Doggie Castle, is uncontrollable, unpredictable, aggressive, or in any way a danger to people will not be allowed in regular group classes and will be referred for private consultation. A refund for the remaining classes will be given or applied to the private consultation.
 - **Youth:** Anyone aged 8 -17 participating in classes must have a parent or responsible adult in attendance at all times. Children under 8 years of age must be accompanied by a non-participating adult at all times while on the premises.
 - **Dogs on Leash:** All dogs must remain on leash when on the premises of the training facilities.
 - **No Unsolicited sniffing:** We ask all owners to be aware of their dog's behavior while on leash. All handlers are asked to not allow their dog free access to sniff another person's dog without asking permission of the owner first.
 - **Humane Treatment:** Any person using the facilities of The Doggie Castle must agree to use humane training methods that would reflect the The Doggie Castle philosophy. Specifically, no shock collars will be allowed, no ear-pinching, and no harsh or inhumane treatment of dogs (including but not limited to hanging, strangling, choking, kicking, dragging, beating, hitting, striking, slamming, throwing or any other pain-inducing method).
 - **Clean Up:** All handlers *must clean up after their dogs* when on the inside premises of the facilities. You may use the outdoor fenced in facilities.
 - **Females in Heat:** Female dogs in heat should not be brought on the grounds of the facility. Handlers can be re-scheduled into the next available class if this occurs without incurring extra charges.
